We're seriously thinking of making Gemma our motoring co-respondent. Last time she appeared (in Knave 17/3) perched on £30,000 worth of Lamborghini. How do you follow that? You put her on top of £400 worth of Sinclair C5. And she looks just as good!

Gemma

Gemma is 20 years old, 5' 5" tall, 34B-23-34 and a perfect size 8 — which means she's done her share of fashion work in her time. Pardon us for thinking she also looks good without clothes. And, last we heard, she didn't have a regular boyfriend . . .

GRACE

One of the nicer ladies to enter our studios, Grace is a professional dancer as well as an (occasional) model. 20 years old, 5'3" tall, 35-23-36 and with a lovely bum. However, we suspect her judgement . . .

She agreed to meet the Big E. for a drink — and the fool stood her up! He says he waited half an hour and then gave up. Then he checked his diary and found he'd been half an hour early . . . He hopes she'll forgive him. We suspect she has more sense.

This girl did it — so could you. If you think you could make it as one of our Amateur Models, fill in the form below and send it in with a few rude nude pictures of yourself. Polaroids will do, at least two completely nude — front and back view.

When we received her polaroids we felt sure they flattered to deceive. Wrong! As you can see, Helen is utterly gorgeous.

She's just this side of 18, 5'4" tall and 35-23-34. She works as a secretary for a large insurance company, comes from Salisbury and swore she'd love to do some more modelling. Well, we wrote and asked her back but, as yet, we've heard nowt. We'll keep you posted about developments. In the meantime, come back, Helen — all is forgiven.

Helen Murray

Sorry — competition over. But we'll still pay you £200 for a day's modelling in our studios if we like your polaroids or prints. And £25 to the friend of photographer who took them. If you fancy getting into glamour modelling, there's no better way to start. So why not have a go . . .

Katie

According to a note from the Art Dept., Katie has two small paras. Unless they want me to write two small . . . Ah, yes. Well, she's lovely. 20 years old, 34-23-34, lives in Greater Manchester with a musician and models pretty well full time.

She's the kind of girl who turns up at the Motor Show one day and your Amateur Photography club the next. The complete professional, Katie will be around for a long time. Not just nice, but nice to work with. (Oooh, I do like my job!) . . .

Melanie

Hows about coming home to Melanie after a hard day at the office? Sounds nice? It probably is — only we wouldn't know, not having had the pleasure. And who cares if she can't cook as long as she's dressed like this!

We can tell you that she's 19 years old, used to be a secretary, is 5' 6" tall, likes discos, measures 37-24-36 and is hoping for some trips abroad to top up on her tan. Photographers please note . . .

MIZI

A young lady, 35-25-36, honest enough not to cheat at both ends. So her collar and cuffs don't match, so what! Rather refreshing really. We all smiled knowingly and there the subject might have rested . . . except for the fact that someone described her, within earshot of the Big E, as an 'unnatural blonde' . . .

''Unnatural acts!'' he shrieked, pouncing on the pictures and fantasising messily under his desk. We barely rescued these from his clutches. Later he persuaded the office junior to change the pressure bandage on his hernia and had to be sent home. The man's days are numbered, mark our words . . .
